About Us

Our Mission

Our mission is to amplify the voices of people who have experienced pregnancy and childbirth complications or loss - especially those who have been historically marginalized - ensuring they are equipped and activated as partners with providers and researchers to improve maternal health outcomes.

Our Vision

Mommas' voices are integrated as partners wherever maternal health improvements are needed.

MoMMA's Voices is a program of the Preeclampsia Foundation, a 501(c)(3) non-profit organization.

Impact

The goal of the MoMMA's Voices Summit is to provide the most current resources, tools, training, and education to leaders from the maternal health patient advocate community.

Your contribution directly supports patient advocates and volunteers by equipping them with the information, tools, and resources necessary to advance the maternal health space. Together we can eliminate maternal mortality and morbidity.

Your donation supports educational programs by helping moms get the information they need for the healthiest pregnancy outcome possible. Your visible commitment will put education into the hands of the numerous "champions for change."

"Attending Summit 2021 in person was life changing for me, it was the first time since my Near-Miss I felt seen, connected and validated. It empowered me to use my story to become a partner for change, to help other Mothers feel the same."
